

Climbing Turtle

You will need:

- Light Card
- Scissors
- Wool (approx. 1 metre)
- Straw (2 pieces approx. 2 -3 cm)
- Markers, colour pencils, stamps and pad, collage materials
- Paper split pins
- Sticky tape
- Turtle template

Instructions:

1. Copy turtle body and head/tail templates onto light card.
2. Cut out both pieces.
3. Decorate shell body with chosen media
4. Use sticky tape to attach pieces of straw vertically to back of body approximately 2- 3 cm. apart.
5. Position head/tail piece in place and secure with split paper pin.
6. Thread wool through straws, leaving the loop at the head.
7. Knot a bead onto each end of the wool.
8. Hook the loop over a door handle or get a friend to help, gently pull the two ends of the wool apart and your turtle will climb to the top.
