

Earth Clay Sculptures.

You will need:

- Large quantity of clay dough (earth coloured)
- Damp cloth
- Work surface covered with plastic sheeting
- Timer.
- Awards
- Pop sticks, satay sticks etc.
- Paper and pencil
- camera

1. Children have 15 mins to create a sculpture from their piece of clay.
2. Distribute clay to students and explain that they have to make a sculpture in a given time.
3. Students set about creating, they may use objects provided to sculpt and texturise their item.
4. Stop work after 15 mins. Students name their sculpture and photos are taken.
5. Award stickers/certificates etc.
6. Roll shapes back into a ball and store in a damp cloth.

(We ended up buying a quantity of clay for this activity)
