

Make a Pug

You will need:

- Pug template (from LearnCreateLove.com)
- Goggle eyes (9mm)
- Black marker or coloured pencil
- Scissors
- Glue
- Beige A4 cover paper

Instructions:

1. Print design onto beige cover paper.
2. Colour snout and ears black.
3. Carefully cut out body pieces.
4. Assemble pug by gluing tail, one back leg and one front leg to the back of the body.
5. Glue other legs in position overlapping slightly to give effect of real legs.
6. Glue on head.
7. Lastly add Goggle eyes.
