

## Paper Sunflowers

(Peggy by Anna Walker)

You will need:

- Yellow paper for petals (or printed shapes on copy paper)
- Black crepe paper cut into 2.5 cm squares
- Black or brown cover paper for centres
- Straw for stem
- PVA glue
- Scissors
- Stapler

### Instructions

1. For younger classes have paper precut or use printed shapes, you will need 6-12 petals per person.
2. Fold down centre of petal to give it some shape
3. Glue each petal shape onto the edge of centre circle overlapping approximately half a petal each time.
4. Allow to dry.
5. Scrunch small black paper squares enough to cover centre.
6. Glue crunched paper to centre.
7. Staple straw in place on back of flower for stem.
