Silly Snails

You will need:

- Green cover paper
- Leaf template
- Strips of cover paper or decorative paper (approx.. 2cm wide and 20 cm long)
- Scissors
- Glue stick
- Coloured Markers or pencils
- Small goggle eyes
- PVA glue (double sided tape)
- Glitter glue (silver)
- Hand held paper punch

Instructions:

1. Cut out leaf template
2. Using paper strip, fold down approx. 2cm on one end (this will be the head).
3. Use markers or pencils to decorate both sides of the paper strip, taking care not to draw on head.
4. Starting at the 'tail' end of the strip roll it around a pencil or marker, unroll
5. Place the curled strip on the leaf. Glue where the roll touches the leaf.
6. Add small goggle eyes with PVA or a piece of double sided tape.
7. Nibble small pieces from leaf as desired with hole punch
8. Lastly, trail a small thin line of glitter glue for the snail trail.
