

Time Challenge

Silver Buttons by Bob Graham

How much can you do in 1 minute? Or in a few seconds...

This book makes us take a look at a moment in time.

Work in pairs to achieve your goal.

Challenge your friends or another class!!

You will need:

- Challenge sheet
 - Stop watch
 - Pencil
 - Items as listed for the challenges
1. Work with your partner to plan your strategy. Both partners should attempt the challenge.
 2. Gradually work through the challenges. Recording your results as you go.
 3. As a class, compare best times and have a "Run Off" to see which students are the fastest at a given task.
 4. Make up your own challenge to test the rest of the class.
